

MACA 1840

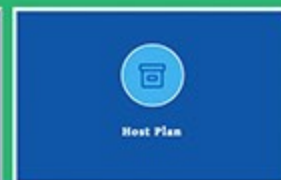

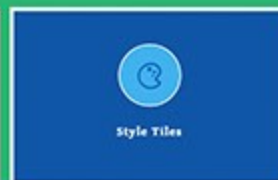

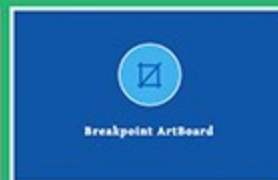

This page is dedicated to showing projects that were created in MACA 1840. From whole browser to fluid elements! We explored it all!

My Journey

The Journey through MACA 1840 was a great one. In a short amount of time i've retained an abundance of knowlegde about web design. From header to footer, hero to modal. Every bit of information you take from this class will help you understand and create wonderful website experience. On this page is all the projects from this semester!

Host Page Discovery

Host Discovery

1) Define the problem

Create a single webpage to show my MACA 1840 work.

2) Brainstorm ideas

Make a colorful , easy design that you can navigate well

3) Look for inspiration

</Bliss/> template

4) Gather assets

5) What are my adjectives

cool, simple, easy ,bold

6) Discuss your template selection process

I decided to go with the template "bliss", I picked this template because right away it was easy to read and follow along.

I enjoy something simple and easy to get through and im sure a lot of other people think that as well.

Starter Questions

What has to be on the page? (See Content Outline)

Images, explanations , Projects, MACA logo

What is the purpose of the website?

To show my work from MACA 1840

Why is the user visiting the page?

To see what I have achieved by taking this class, see the websites i made for this class.

Design

What navigation style am I interested in?

easy , simple , and quick

What navigation ideas?

buttons linked with projects, links to each page as well.

What inspiration did you find for an idea or a tone?

went with cool calm colors, nothing too gloomy and nothing too bright.

Is there graphic theme or story?

gentle, with the textures and colors , its easy on the eyes and not too much.

Maca 1840

What will be the focal point of the page?

my projects and the skills I've learned from this class.

What colors scheme is interesting you

cool colors. complementary colors

Layout ideas:

example:

A hero image of me

The course name will be a banner across the page and about 20% of the height

The nav buttons will be in a grid that covers the whole page.

What colors scheme is interesting you?

Color scheme of cool colors.

Branding / Identity:

Who are you? How are you unique?

Jordan Manto, Im a graphic designer looking to further my knowledge.
